3. Clients order value is debited for the amount given in advance.
4. Clients always need to maintain a positive balance in their account.
5. LCS Global won't ship orders of customers whose account shows negative balance.

Shipping options and guarantees

EMS Shipping option

1. It is courier and track able service. Delivery takes about 4-14 days.
2. All orders sent before 5:00am GMT are shipped on the same day and will receive tracking code for the same by 2:30pm GMT the same day.
3. We reship the order free of cost if it is not delivered within 14 days after we sent it or the tracking shows that the parcel was stuck on a custom for more then 4 working days.
4. We reship the order free of cost if customer got bad quality of product or package.

Please note that tracking can not work sometimes because of the mistake in the courier's tracking system. In such cases we reship the product free of cost.

Packaging conditions

Quantity limitation

1. All medicines are shipped in original manufacturer's packaging.
2. We have a standard rate of US \$30.00 per package with a maximum weight of 250 grams i.e. 20 to 22 strips per package (200 to 220 pills)
3. For every additional 20 strips, US \$10.00 will be charged.
